To the Honorable Board and Director,

Counsel for Petitioner was unable to file the Patent Owner's Request for Discretionary Denial and exhibits in IPR2026-00263 (an *inter partes* review challenging Patent Number 11,785,275, Application No. 17/956,889) today because we were not able access the PTACTs filing system for this matter using the credentials of either myself or backup counsel, Ms. Tessar. We had filed Petitioner's Updated Mandatory Disclosures and Power of Attorney on August 11, 2026, which should have permitted us to now file in this matter, but it appears that something in the system has gone awry. We will call tomorrow morning to work out the technical problem.

Meanwhile, Petitioner served by email on opposing counsel its Opposition to Patent Owner's Request for Discretionary Denial, which is due today. These, along with Exhibits 1134-1150, Petitioner's Emergency Petition for Leave and supporting declaration were served on Patent Owner's counsel tonight in, compliance with the September 15, 2026, deadline set by the Board's email dated August 13th, copying [Director Discretionary Decision@uspto.gov](mailto:Director_Discretionary_Decision@uspto.gov).

Thank you,
