CASE NO. 2:25-CV-00379-RWS-RSP

ORDER

Before the Court are two motions: the parties' Joint Motion to Continue Stay Pending Inter Partes Review, **Dkt. No. 39**, and Defendant's Motion to Transfer Venue, or, in the Alternative, to Stay Pending *Inter Partes* Review, **Dkt. No. 19**. In the Joint Motion, the parties report that final office actions have found all claims of all patents in this case to be unpatentable, and Plaintiff has appealed three of these decisions, and may appeal the others. Dkt. No. 39 at 1. The parties therefore request a continuation of the stay, based on the same circumstances, that the Court previously issued, Dkt. No. 29. Dkt. No. 39 at 3. Having considered the Joint Motion (Dkt. No. 39), and noting its joint nature, the Court finds that it should be and hereby is **GRANTED**.

No response has been filed to Defendant's Motion, and one of the alternative grounds for relief has already been granted by this Court. Consequently, the Court finds that Defendant's Motion (Dkt. No. 19) should be and hereby is **DENIED AS MOOT**. If the case resumes, Defendant may re-file the motion if appropriate.

Accordingly, it is hereby **ORDERED** that all unreachd deadlines in this case are **STAYED** through the resolution of all Federal Circuit appeals involving the PTAB's Final Written Decisions in IPR Nos. 2024-00446, 2024-00441, 2024-00442, 2024-00435, 2024-00438, and 2025-00180. It is **FURTHER ORDERED** that either party may move to lift the stay prior to such

resolution time upon good cause shown.

It is **FURTHER ORDERED** that the parties shall jointly file a notice every ninety (90) days during the stay informing the Court of the progress of the appeals. It is **FURTHER ORDERED** that after such resolution, the Parties shall meet and confer, and, within twenty-one (21) days, submit to the Court a motion that requests appropriate relief regarding the further conduct of the case, which may include, as appropriate, requesting the entry of a new docket control order or a continuation of the stay.

SIGNED this 18th day of February, 2026.

UNITED STATES MAGISTRATE JUDGE
