Overview

Vivint, an NRG company, is the only smart home provider that brings security, energy management, and automation together in a single, integrated system—all controlled from one app. From smart cameras and sensors to thermostats, lighting, and more, Vivint delivers a fully connected experience that gives customers greater control of their smart homes, anytime, from anywhere. Every system includes professional installation and personalized setup from Vivint home experts, plus award-winning 24/7 customer support and monitoring. With a focus on innovation, customer experience, and sustainable energy use, Vivint helps over two million customers manage their homes simply, securely, and efficiently. As part of NRG, Vivint also supports renewable energy solutions for a more sustainable future.
