A Chance to Grow Together

“Our students have enjoyed working as interns and learning about the semiconductor industry. We look forward to our continued long-term partnership in ensuring that our scholars are inspired, equipped and empowered to achieve their unique potential.”

–Taylor ISD Superintendent Dr. Jennifer Garcia-Edwardsen

Samsung v. TopWire | IPR2026-00324

Ex. 2033

**Mayor Dwayne Ariola,
City of Taylor**

"Samsung's investment in Taylor has been a tremendous boost for our local economy. The partnership between the City of Taylor and Samsung has brought investment in our parks, our nonprofits, and our students with their community grants and internship programs. I'm excited and optimistic for Taylor's future and the future of our students, and I look forward to our continued partnership with Samsung on sustainable growth for our city and the company."

**County Judge Steven Snell,
Williamson County, Texas**

"Samsung's investment in their new facility in Taylor represents more than cutting-edge technology—it's a commitment to the people of Williamson County. The new jobs created will strengthen our local economy, open doors for future generations and further solidify our community as a hub for innovation and opportunity. We are excited to partner with Samsung as they grow here and contribute to the long-term prosperity of our region."
