

The screenshot displays the Orbit Intelligence patent search interface. The left sidebar contains a navigation menu with options: Menu, Explorer, Searches (Easy search, Advanced search, Sophia search, Number search), My session (Search history, Search results), My searches (My saved searches, My alerts), and My recent lists. The main area is titled "Advanced search form" and "Command line". It features a search bar at the top right labeled "FULLPAT - Database". The search criteria are defined by a series of filters connected by "AND" operators:

- DOCUMENT TYPE**: A dropdown menu.
- ASSIGNEES**: A dropdown menu set to "Current assignees" with a selected filter for "SAMSUNG ELECTRONICS".
- INVENTORS**: A text input field with an "Add" button.
- COUNTRIES**: A text input field with a selected filter for "US".
- DATES**: A text input field with an "Add" button.

At the bottom right, the search results are displayed as "181,445 results (FULLPAT)" next to a "Search" button.
