

**Unopposed Motion for Acceptance of Late Filing
U.S. Patent No. 12,231,703**

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

PINTEREST, INC.,

Petitioner,

v.

OPENTV, INC.,

Patent Owner.

Case No. IPR2026-00334

U.S. Patent No. 12,231,703

**PETITIONER'S UNOPPOSED MOTION FOR ACCEPTANCE OF LATE
ELECTRONIC FILING OF PETITIONER'S OPPOSITION TO PATENT
OWNER'S REQUEST FOR DISCRETIONARY DENIAL**

**Unopposed Motion for Acceptance of Late Filing
U.S. Patent No. 12,231,703**

Petitioner Pinterest, Inc. respectfully submits this unopposed Motion requesting that the Board accept the late-filing of Petitioner's Opposition to Patent Owner's Request for Discretionary Denial ("DD Opposition") (Paper 9).

I. STATEMENT OF MATERIAL FACTS

1. Petitioner's deadline for its DD Opposition was July 8, 2026.
2. From approximately 8:30 PM ET to 11:00 PM ET on July 8, 2026, Petitioner attempted multiple times to file its DD Opposition using P-TACTS.
3. Due to various errors encountered while using P-TACTS, Petitioner was unable to upload or file its DD Opposition to P-TACTS.
4. At 11:09 PM ET on July 8, 2026, Petitioner e-mailed a copy of its DD Opposition to Patent Owner's counsel of record. At 11:11 PM ET on July 8, 2026, Petitioner e-mailed a copy of its DD Opposition to the Director, and further requested a one-day extension to file the attached copy.
5. Petitioner understands that others encountered similar issues with P-TACTS, including Patent Owner.
6. On July 9, 2026, at 12:46 PM ET, Petitioner filed the same copy of its DD Opposition with P-TACTS.
7. Patent Owner does not oppose this motion.

Unopposed Motion for Acceptance of Late Filing
U.S. Patent No. 12,231,703

II. GOOD CAUSE SUPPORTS THIS MOTION

“A late action will be excused on a showing of good cause or upon a Board decision that consideration on the merits would be in the interests of justice.” 37 C.F.R. § 42.5(c)(3).

Good cause supports this motion. Petitioner completed its DD Opposition on July 8, 2026 and timely served the brief to both Patent Owner and the Director via e-mail. However, the P-TACTS outage on the evening of July 8, 2026 prevented Petitioner from timely filing its DD Opposition. Petitioner has since filed the DD Opposition. Accordingly, the late filing of the DD Opposition was solely caused by technical issues related to P-TACTS. All parties nevertheless were properly served the DD Opposition on time. Petitioner also does not oppose this motion and has not claimed any prejudice from the late filing.

For these reasons, Petitioner respectfully requests that the Board grant this motion.
