Dear Director and/or Board,

Petitioner's Opposition to Patent Owner's Request for discretionary denial in IPR2026-00343, Paper 15, contains a typographical error on the first line of page 19. Specifically, the word "not" was inadvertently omitted between the words "was" and "involved" in the following sentence: "3G Capital was involved in preparing the Petition." Petitioner's corresponding opposition brief in IPR2026-00342, Paper 14, contains the correct version of this sentence on page 19: "3G Capital was not involved in preparing the Petition."

Petitioner requests guidance for correction of this error, including filing a corrected brief. Patent Owner has indicated that it does not object to Petitioner's request.

Petitioner is available at the Board and/or Director's convenience should further discussion be warranted.

Thank you,
Kamran Vakili
