Case IPR2026-00351
U.S. Patent No. 11,878,049
Issued: January 23, 2024

Title: Mitapivat Therapy and Modulators of Cytochrome P450

DECLARATION OF CHRISTINE BAEDER

I, Christine Baeder, hereby declare as follows:

1. I have worked at Apotex, a pharmaceutical company, since December 2023. My current role is President, Apotex USA and LATAM. My responsibilities include leading Apotex's United States operations while providing executive oversight over the Latin America region.

2. Apotex is headquartered in Canada, but is a top 10 player in the US generic pharmaceutical market. Apotex maintains a very strong US presence, which includes about 200 US-based employees and two main sites for its US operations: Weston, Florida and Indianapolis, Indiana.

3. In Weston Apotex has its US headquarters, which performs many functions including commercial operations, sales, marketing, regulatory affairs, and government affairs.

4. In Indianapolis Apotex has a 156,000 square foot pharmaceutical distribution facility responsible for supplying its many life-saving products to patients throughout the US. These products include over 130 product families in fields such as oncology, neurology, hematology, ophthalmology, cardiovascular, respiratory, and anti-infectives.

5. In April 2026, Apotex expanded its U.S presence via a partnership with Halo Pharmaceuticals to manufacture sterile injectable pharmaceuticals at a facility in Whippany, NJ.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.
