

1 I, Edward Hervey, declare as follows:

2 1. I hold a Master's degree in Computer Science and am currently employed as a Senior
3 Software Consultant at Centricular Ltd.

4 2. I have worked in the field for more than twenty years, and have extensive experience
5 with GStreamer, Real-Time Transport Protocols, Real-Time Streaming Protocols, MPEG
6 Standards, and Adaptive Streaming. I have contributed to Free Software, including the Pitvi video
7 editing project.

8 3. Throughout the course of my career I have publicly presented numerous talks and
9 seminars on this field of technology.

10 4. One example is the presentation that I gave at the GStreamer Conference in Dublin,
11 Ireland on October 8, 2015, titled "'decodebin3' Modern playback use-cases." A copy of that
12 presentation, as I gave it in 2015, is attached to this declaration.

13 5. The GStreamer conference was and continues to be open to and accessible to the
14 public at some or no cost, depending on sponsorship. The talk that I gave in 2015 was part of an
15 open session of the conference and many industry participants attended.

16 6. Copies of the "decodebin3" presentation attached hereto were freely distributed
17 without confidentiality restrictions to attendees at the conference in October of 2015. The
18 presentation was also made available on the internet on GStreamer's website shortly after the
19 conference in 2015.

20 7. I further understand that my talk was reported on contemporaneously, and that video
21 recordings of the talk were publicly available on GStreamer's website shortly after the conference
22 in 2015.

23
24 I declare under penalty of perjury under the laws of France and the United States of America
25 that the foregoing is true and correct.
