Re: *MyScript SAS v. Goodnotes Limited*, 2:25-cv-00532-JRG-RSP (IPR2026-00388, U.S. Patent No. 10,410,316)

Counsel:

Goodnotes Limited filed a petition for *inter partes* review against claims of U.S. Patent 10,410,316 (the “’316 patent”) on July 23, 2026, and that proceeding has been assigned AIA Review No. IPR2026-00388. If *inter partes* review is instituted in IPR2026-00388, unless institution is later vacated, reversed or otherwise withdrawn by rehearing or Director Review, Goodnotes Limited stipulates that it will not pursue in Civil Action No. 2:25-cv-00532-JRG-RSP (E.D. Tex.), against the ’316 patent, (i) the specific grounds raised in IPR2026-00388; (ii) any other ground that could have been reasonably raised in IPR2026-00388 under §§ 102 or 103 on the basis of prior art patents or printed publications; (iii) any ground based on a combination of system prior art (i.e., prior art that is neither a patent or printed publication) and the references that form the basis of any ground raised in IPR2026-00388, or (iv) any ground under §§ 102 or 103 on the basis of system art corresponding to the references that form the basis of any ground raised in IPR2026-00388.

For the sake of clarity and to avoid any doubt, if the PTAB declines to institute IPR2026-00388, or if institution is later vacated, reversed or otherwise withdrawn by rehearing or Director Review, Goodnotes Limited reserves the right to assert any grounds of invalidity in the above-captioned District Court proceeding against U.S. Patent 10,410,316.

Regards,

Barry Shelton
