Exhibit Description	Exhibit #
Proposed Modified Protective Order (marked-up version)	EX1037 [NEW]

Petitioner Twitch Interactive, Inc. (“Petitioner” or “Twitch”) moves for entry of a Modified Protective Order in the above-identified proceeding. Petitioner proposes limiting access to confidential information to the parties’ outside counsel, experts, support personnel, and the Office. This modification is necessary because Petitioner’s submissions contain sensitive financial and business information concerning Twitch that should not be disclosed to Patent Owner or its in-house counsel. Limiting access to outside counsel and other appropriate personnel will protect that competitively sensitive information while permitting Patent Owner’s outside counsel to fully represent its interests in this proceeding. A marked-up version of the proposed Modified Protective Order showing the modifications to the Board’s Default Protective Order is submitted as Exhibit 1037, and a clean version is submitted as Exhibit 1036.

Petitioner’s counsel corresponded with Patent Owner on October 5 and 6 to determine whether Patent Owner would assent to entry of the Modified Protective Order. Patent Owner’s counsel indicated it wished to first review the confidential information but that, in the interim, it will not share the confidential information marked under the proposed protective order with its client.

Petitioner requests this Motion and reserves the right to request amendments to the proposed Modified Protective Order should either Party seek to introduce

documents in this proceeding that would require further or different protections than provided under the proposed Modified Protective Order.
