I.	INTRODUCTION	1
II.	PETITIONER’S JOINDER MOTION IS MOOT BECAUSE THE AMAZON IPR HAS BEEN TERMINATED.....	1
III.	CONCLUSION.....	3

I. INTRODUCTION

Patent Owner InterDigital Madison Patent Holdings, SAS (“InterDigital”) submits this response in opposition to TTE Technology, Inc.’s (“Petitioner”) Corrected Motion for Joinder (“Motion,” Paper 4) to join its “copycat” petition with IPR2026-00195 (“the Amazon IPR”), filed by Amazon.com, Inc. (“Amazon”). The Amazon IPR has been terminated, and the Board should therefore deny the Motion for Joinder as moot.

II. PETITIONER’S JOINDER MOTION IS MOOT BECAUSE THE AMAZON IPR HAS BEEN TERMINATED.

The Amazon IPR has been terminated¹ pursuant to a joint motion of the parties. *See Amazon.com v. InterDigital Madison Patent Holdings, SAS*, IPR2026-00195, Paper 22 at 3 (PTAB July 23, 2026). Thus, there is no pending proceeding to join, and Petitioner’s request to join the Amazon IPR is moot.² *See, e.g.,*

¹ Petitioner emailed the Board on August 4, 2026 requesting permission to file a motion to withdraw its Motion for Joinder in view of the termination of the Amazon IPR. The Board has not yet granted such permission. InterDigital, thus, files this Opposition to Petitioner’s motion for completeness of the record.

² InterDigital will address additional procedural and substantive issues relating to Petitioner’s copycat Petition in the forthcoming discretionary denial briefing and preliminary response.

ASUSTek Comput. Inc. v. VideoLabs, Inc., IPR2025-00304, Paper 10 at 4 (PTAB Mar. 18, 2025) (The “Termination Orders [in the underlying IPR] removed the statutory basis that underpins Petitioner’s Joinder Motions, rendering them moot, because in each case, there is no longer an instituted ... IPR for Petitioner to join.”).

Indeed, the Board routinely dismisses or denies motions for joinder in these circumstances. *See id.*; *see also, e.g., Amazon.Com, Inc. v. Almondnet, Inc.*, IPR2023-00227, Paper 10 at 8 (PTAB June 5, 2023) (“The Motion for Joinder is denied as moot because the [underlying] IPR has been terminated...”); *Hulu, LLC v. Sound View Innovations, LLC*, IPR2018-00017, Paper 13 at 1 (PTAB Jan. 26, 2018) (“[T]he Board terminated [the IPR to be joined] pursuant to 35 U.S.C. § 317(a) at the request of the parties to that proceeding ... As such, Petitioner’s request to join that proceeding as a party pursuant to 35 U.S.C. § 315(c) is moot.”); *PAR Pharm., Inc. v. MonoSol Rx, LLC*, IPR2017-01557, Paper 11 at 5 (PTAB Oct. 20, 2017) (“The [underlying] IPR has been terminated based on a settlement between the parties ... Thus, there is no longer a pending proceeding for Petitioner to join. Accordingly, we dismiss the Motion for Joinder as moot.”); *Fresenius Kabi USA, LLC v. Hospira Inc.*, IPR2017-01055, Paper 10 at 5 (PTAB Sep. 6, 2017) (“The [underlying] IPR is no longer pending ... Hence, there is no proceeding for Petitioner to join. Accordingly, we dismiss the Motion for Joinder as moot.”).

III. CONCLUSION

For the foregoing reasons, the Board should deny Petitioner's Motion for Joinder as moot.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX PLLC
