UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

GOOGLE LLC,

Petitioner,

v.

HEADWATER RESEARCH LLC,

Patent Owner.

Case No. IPR2026-00464
U.S. Patent No. 8,023,425

PETITIONER'S *SOTERA* STIPULATION

Consistent with *Sotera Wireless, Inc. v. Masimo Corp.*, IPR2020-01019, Paper 12 (PTAB Dec. 1, 2020), Petitioner hereby stipulates that, if the Board institutes *inter partes* review in this proceeding, IPR2026-00464, Petitioner will not pursue in the related litigation, *Headwater Research LLC v. Google LLC*, No. 3:26-cv-06230 (N.D. Cal.), an invalidity defense based on any ground that was raised or reasonably could have been raised in this *inter partes* review before the Board with respect to the claims of U.S. Patent No. 8,023,425 challenged in this *inter partes* review. Thus, there will be no “overlap between issues raised in the petition and in the parallel proceeding.” *Apple v. Fintiv*, IPR2020-00019, Paper 11 at 6 (PTAB Mar. 20, 2020).

To be clear, this stipulation does not extend to scenarios where the USPTO institutes but later vacates institution of IPR2026-00464, or otherwise terminates the IPR proceeding without issuing an appealable Final Written Decision, as those scenarios would no longer involve an instituted *inter partes* review. Thus, if IPR2026-00464 is not instituted, is instituted but later de-instituted, or otherwise terminates without an appealable Final Written Decision, Petitioner reserves the right to pursue in the *Headwater Research LLC v. Google LLC* Litigation any ground that was raised or reasonably could have been raised in the IPR.
