Board,

Petitioner requests a conference call to seek leave to file for a reply to the Patent Owner's Preliminary Response in PGR 2023-00045. Specifically, Petitioner requests authorization to file a reply to address the misinterpretation and reliance on Prosecution History Estoppel to improperly import limitations into the claims.

We have communicated with Patent Owner's counsel, but received no indication whether they will oppose the Request. A conference call is requested on December 28, 2023.

Thank you,

Safet
