Counsel,

Patent Owner's request for Director Review has been received in the above-referenced cases. Petitioner is authorized to submit responses limited to the issues raised in the Director Review requests, of no more than 15 pages, to be filed within five business days of this email. Any such responses must be filed in P-TACTS, i.e., by selecting the "Other: other" paper type and the paper must be titled "Authorized Response to Director Review Request" or it may not be considered. No new evidence is permitted. No further briefings are authorized at this time.

The Director will determine whether review will be granted or denied and the parties will be notified of the result of the Director Review requests.

Thank you.
