NCMA Patent Deposit Furnishing Report

Germplasm Surveillance
8305 NW 62nd Avenue - Bldg #60, Cube 2R101
PO Box 7060
JOHNSTON, IA, US, 50131
GPSEC.Reports@corteva.com

Reporting Period: January – June 2024

Dear Jared,

In compliance with our procedures, we are using this report to inform you of any furnishing of your samples that you have deposited with NCMA for the purpose of patent process. In the attached Appendix A you will find a complete list of your deposited material that has been furnished during the reporting period identified in the header. Note, we are sending this report even if it is a null report. The information provided includes your deposit identifying information, NCMA issued patent number, the information of the requesting party, and the Budapest Treaty Rule (11.1, 11.2, 11.3a/b) under which the furnishing was processed. If you have any questions about the furnishing of these samples, would like more information on the process, and/or require different information than what is reported, please do not hesitate to reach back to patentdeposit@bigelow.org with your request. In addition, if you would prefer to receive the data in Appendix A as an EXCEL™ or CSV file to more easily incorporate it into your system, please reach out as well.

Kind Regards,

Michael W. Lomas, Ph.D. NCMA Director on behalf of the NCMA Patent Deposit team

APPENDIX A – list of depositor’s samples furnished during the current reporting period.
