Google Search the BCP Web Site

[Caveat - Google's spiders have not searched through all the links to all of the Power Point slides. These results are only partial. For example, type in Morning Session and as of 7/16/07 you only see the Agendas for 13 meetings. Google has not yet found the meetings of 3/6/07, 12/8/04, 4/29/03, 1/14/03, 10/8/02 and 4/17/01. Some earlier links to meetings in 2001 and 2002 are to the PTO site and thus no slides are here]

Supplemental Materials:

Carlyle Site Drawings

Perspective 3D drawing of the building on campus click [here](#)

Floor plan for a building (pdf 178K) click [here](#)

Close-up plan view of campus map click [here](#)

Go to <http://www.ptoinalexandria.com/index.php> for more views and info

See the BCP's PTO web page <http://www.uspto.gov/web/patents/biochempharm/> for the official announcement for the next meeting close to the final date.
