Frame pools

RUST-RESISTANT GALVANIZED STEEL FRAME POOLS!

With the added structural strength of galvanized steel, frame pools can now be manufactured in even larger sizes, such as our 24' diameter (732cm) pool with a 4' (122cm) depth, which is capable of supporting over 11,100 gallons (42,000 L) of water.

- SUPER-TOUGH™* sidewalls are triple strong. Made with 3 separate layers of material for extra strength and durability - two outer layers of heavy-gauge PVC laminated to an inner layer of polyester mesh for extra reinforcement.
- Separate laminated band provides additional wall support.
- Reinforced polypropylene rope wraps around the bottom of the pool liner to keep the legs firmly in position.
- Convenient drain plug for easy draining. Connects to garden hose so the water can be drained away from the pool area.

Frame Pools: Ages 6+

* SUPER-TOUGH™ is a high molecular PVC that is unaffected by gasoline, oil and salt water. It is highly resistant to damage from abrasion, impact and sunlight. It also permits more air pressure for rigidity.

Chlorinator combo included in select 15' (457cm), 18' (549cm) and 24' (732cm) sets. Also available separately (see page 11)

Pool sprayer included in 18' (549cm) and 24' (732cm) sets. Also available separately (see page 15)

Pool sprayer included sets. Also available separately. (see page 15)

YEARS OF FUN IN FOUR GREAT SIZES!

Intex announces its newest pool! Be the envy of the neighborhood with the Ellipse frame pool, a modern, attractive addition to backyard fun. This design combines the best of Intex's Easy Set™ pools and Metal Frame pools to offer the latest in above ground pool enjoyment.

Our newest pool is the perfect blend of function and value! The rectangular shape is ideal for games such as volleyball and lap swimming, while the unique blend of Metal Frame sides and Easy Set™ ends ensures a great value!

The rectangular shape is also great for those homeowners whose back yards have a little less space, but still demand a large, fun pool for a great swimming experience!

12' x 20' x 48" (366cm x 610cm x 122 cm) — READY FOR WATER IN 60 MINUTES

Chlorine generators

ANNOUNCING the next Generation in pool water maintenance! Intex's new Krystal Clear™ Chlorine Generator allows pool owners to eliminate the costly, confusing, dangerous, and repetitive use of added chemicals forever! No more red, burning eyes, faded clothes, and pool liners!
Simply hook the Krystal Clear™ Chlorine Generator into the pool's water flow as directed, add the specified amount of salt, and the new Intex Krystal Clear™ Chlorine Generator will do the rest! The pool's water is converted to an effective algaecide - and since salt doesn't evaporate or dissipate as chlorine does, the constant addition of chemicals is a thing of the past!
There is nothing like swimming in a pool treated with an Intex Krystal Clear™ Chlorine Generator: incredibly clean, crystal clear, and fresh!
And amazingly easy to maintain! You have to experience it to believe it!

NEW!
#56601
Chlorine Generator 103.30 / 96.68
- 110 - 120 volt
- Heavy-duty stand-alone Krystal Clear™ Chlorine Generator easily hooks into most above ground filter pump systems
- Includes hose attachments and electrical cord
- Self-cleaning titanium-coated electrolytic cell for continued performance
- Touch-sensitive control panel allows user to pre-program operating hours
- Flow sensor system alerts operator to adverse operating conditions
- Keypad locking system ensures settings are not changed accidentally
- Easy to use test strips (50 count) included to check performance
- Shelf box

2 Ea., 52.1 Lb. (23.7kg)

NEW!
#56602
Chlorine Generator 105.60 / 99.79
- Same as 56601 except 220 - 240 volt
- Shelf box

2 Ea., 54.3 Lb. (24.7kg)
