

**UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS**

WATSON GUIDE IP, LLC, and
GUIDEDSMILE, LLC,

Civil Action No. 1:24-cv-10518-LTS

Plaintiffs/Counterdefendants,

v.

3D DIAGNOSTIX, INC.,

Defendant/Counterclaimant.

JOINT STATUS REPORT

Pursuant to the parties' agreement and the Court's June 18, 2024 Order (D.I. 28), Plaintiffs/Counterdefendants Watson Guide IP, LLC, and Guidedsmile, LLC (collectively, "Plaintiffs") and Defendant/Counterclaimant 3D Diagnostix, Inc. ("Defendant"), by their undersigned counsel, hereby submit this Joint Status Report.

In their June 11 Joint Statement (D.I. 25) and at the June 18 Scheduling Conference, the parties informed the Court that Defendant intended to file a Post-Grant Review ("PGR") of U.S. Patent No. 11,806,209 with the U.S.P.T.O., and that the parties may request a stipulated stay of the litigation once the PGR had been filed. Defendant indicated it would make efforts to file the PGR and request the stay by July 8.

As of this date, Defendant is still diligently preparing its PGR petition for filing, and will not be in position to file before July 9. Defendant plans to file its PGR petition by July 23, 2024. Accordingly, Plaintiffs will proceed with their L.R. 16.6(d)(1) patentee disclosures on July 9 and the parties will confer regarding a joint motion to stay the case pending the PGR outcome once the PGR has been filed. No changes to the scheduled

dates are requested.

Dated: July 8, 2024
