Counsel,

We understand the parties to be in agreement to waive the oral argument. We note there is no need to stay, as the remaining trial deadlines continue, with a Final Written Decision due in February. We authorize the parties to file a Joint Motion to Terminate Post-Grant Review, a Joint Request to Keep Agreement Business Confidential and Separate Under 37 C.F.R. § 42.74(c), and a Joint Motion to Preserve Record Under Seal upon the execution of the settlement agreement. We note that should the motion to terminate be unduly delayed after early December, and the panel undertakes authorship of a decision in earnest, the motions may be denied.

Honorable Board and Mr. Kellogg,

The Parties have resolved the remaining issues for settlement and expect that execution of a settlement agreement is imminent, although it may potentially be delayed due to the Thanksgiving Holiday. The Parties request to withdraw the oral argument currently scheduled for December 2, 2025 and stay any further deadlines. The Parties further request permission to file a Joint Motion to Terminate Post-Grant Review, a Joint Request to Keep Agreement Business Confidential and Separate Under 37 C.F.R. § 42.74(c), and a Joint Motion to Preserve Record Under Seal upon the execution of the settlement agreement.

Respectfully,
