## **I. REMARKS**

Following the Board's Decision Granting Institution of Post-Grant Review (Paper 8), issued on April 8, 2025, Petitioner filed objections to evidence (Paper 10) pursuant to 37 C.F.R. § 42.64(b)(1) on April 22, 2025. In accordance with 37 C.F.R. § 42.64(b)(2), and in direct response to Petitioner's objections, Patent

Owner timely served Exhibits 2003, 2013, and 2016-2018 on Petitioner on April 29, 2025.

Patent Owner requested authorization to file this Motion on May 6, 2025, within one month of the April 8, 2025 institution date. Accordingly, this Motion is timely under 37 C.F.R. § 42.223(a).

Further, this Motion satisfies the requirements of § 42.223(b) because the supplemental information is directly relevant to the claims for which trial has been instituted, as noted above. Allowing Patent Owner to file Exhibits 2003, 2013, and 2016-2018 as supplemental information will not prejudice Petitioner or disrupt the efficient progress of this proceeding.

Patent Owner also respectfully requests that the Board expunge the originally filed Exhibits 2003, 2013, and 2016-2018 from P-TACTS and the record, which were filed on January 9, 2025, along with Patent Owner's Preliminary Response.

## **II. CONCLUSION**

For the foregoing reasons, Patent Owner respectfully requests permission to submit Exhibits 2003, 2013, and 2016-2018 as supplemental information.

Respectfully submitted,

Dated: May 15, 2025
