We're growing our team at Unleashed Brands — and these two roles are big ones.

Digital Process Automation Specialist
If you love building smart, scalable workflows that eliminate manual effort and unlock speed, this one's for you. You'll work across teams to streamline how work gets done using tools like [Make.com](#), Power Automate, Zapier, UiPath, and more.

Sr. Director, Growth Science & Analytics
This is a high-impact leadership role at the intersection of behavioral psychology, data science, and marketing analytics. You'll help us better understand how families interact with our brands — and use that insight to drive measurable ...more
