Honorable Director,

Today, May 26, 2026, Patent Owner timely filed a Request for Director Review of the Patent Trial and Appeal Board's Decision Denying Patent Owner's Motion to Terminate in each of the above-captioned post-grant review proceedings.

Because Patent Owner was unable to use the PTAB's electronic system (P-TACTS) for filing Director Review Requests, and thus pay fees via P-TACTS, Patent Owner has added an authorization to each Request authorizing the USPTO to charge the $452.00 fee associated with each Request to deposit account no. 19-0032.

In order to ensure that the Director is aware of these requests and that the fee payment is timely made, Patent Owner is sending this e-mail to reiterate that the Director Review Requests have been timely filed using P-TACTS and that the necessary fees may be charged to the deposit account identified above.

Thanks very much,
R. Wilson Powers III
(Counsel for Patent Owner)
