

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

THERABODY, INC.
Petitioner

v.

HYPERICE IP SUBCO, LLC
Patent Owner.

Case No. PGR2025-00013
U.S. Patent No. 11,938,082

**PETITIONER’S MOTION FOR *PRO HAC VICE* ADMISSION PURSUANT
TO 37 C.F.R. §42.10(C)**

I. INTRODUCTION

Pursuant to 37 C.F.R. § 42.10(C), Therabody, Inc. (“Petitioner”) respectfully requests that the Board recognize Brett J. Williamson as counsel *pro hac vice* in this proceeding. Petitioner’s lead counsel in this proceeding is a registered practitioner and, as illustrated below, Mr. Williamson is an experienced litigator with an established familiarity with this proceeding’s subject matter. Thus, there is good cause for the Board to recognize Mr. Williamson *pro hac vice* in this proceeding.

II. TIME FOR FILING

This Motion for *Pro Hac Vice* Admission is being filed no sooner than twenty one (21) days after service of the petition. *Unified Patents, Inc. v. Parallel Iron, LLC*, Case IPR2013-00639, Paper No. 7 (P.T.A.B. Oct. 15, 2013).

III. STATEMENT OF FACTS

This motion is authorized by the Notice of Filing Date Accorded to Petition and Time for Filing Patent Owner Preliminary Response that was mailed on January 13, 2025 (Paper No. 3). Petitioner’s lead and back-up counsel are registered practitioners.

Where lead counsel is a registered practitioner, the Board may permit a nonregistered practitioner to appear *pro hac vice* “upon a showing that counsel is an experienced litigating attorney and has established familiarity with the subject

matter at issue in the proceeding.” 37 C.F.R. §42.10(c); *Unified Patents*, Case IPR2013-00639, Paper 7 (setting forth requirements for *pro hac vice* admission).

As set forth in his Declaration submitted herewith (Ex. 1020), Mr. Williamson is an experienced litigator. He is a Partner with O’Melveny & Myers LLP with 36 years of experience representing clients in patent and technology related litigation, including matters involving technology similar to that at issue in this proceeding.

Mr. Williamson is familiar with the subject matter of this proceeding. He has reviewed and analyzed the patent at issue in this post grant review, U.S. Patent No. 11,938,082 (“the ’082 Patent”) as well as the prior art at issue in this proceeding. Specifically, he has assisted Petitioner in its district court litigation, *Hyper Ice, Inc. v. Therabody, Inc.*, Case No. 8:24-cv-00390-JWH-(DFMx) (C.D. Cal.), which involves the same patent and technology at issue in this PGR.

Based on his work for Petitioner in litigations and proceedings involving similar technologies, involvement with the petition in this proceeding, and the other facts detailed in his declaration, Mr. Williamson has significant familiarity with the subject matter in this proceeding. Petitioner wishes to apply Mr. Williamson’s knowledge of the patent and litigation experience by employing him as counsel in this proceeding. Because Mr. Williamson is an experienced practitioner with an established familiarity with the subject matter of this proceeding, Petitioner respectfully submits that there is good cause under 37

C.F.R. § 42.10(c) to recognize Mr. Williamson as counsel *pro hac vice* during this proceeding.

IV. DECLARATION OF INDIVIDUAL SEEKING TO APPEAR

This motion for *Pro Hac Vice* Admission is supported by the accompanying Declaration of Brett J. Williamson (Ex. 1020), as required by Unified Patents, Case IPR2013-00639, Paper 7.

Respectfully Submitted,

/s/ Marc J. Pensabene
