Subject: PGR2025-00025: Multi-Color Corporation (Petitioner) v. Brook + Whittle Limited (Patent Owner)

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Administrative Patent Judges New, McGraw, and McGee,

Petitioner Multi-Color Corporation (“MCC”) and Patent Owner Brook + Whittle Limited jointly write to request a conference call with the Board to discuss a proposed stay or schedule modification in PGR2025-00025 arising from MCC’s ongoing bankruptcy proceedings.

MCC filed a Chapter 11 case on January 29, 2026 in the U.S. Bankruptcy Court for the District of New Jersey. The proceedings are targeted to conclude by the end of April 2026 or early May 2026. Both parties believe that a temporary stay of the PGR for a period of three months, or such time as is required to complete MCC’s bankruptcy, is warranted and in the interests of all parties and the Board. The parties respectfully request the Board’s guidance and authorization on the following matters:

- **Board Authorization for Non-Stipulable Dates:** Several remaining due dates cannot be extended by stipulation and require Board authorization. Specifically, the request for oral argument (Due Date 4, currently May 6, 2026), the reply to opposition to a motion to exclude (Due Date 7, currently June 10, 2026), and oral argument itself (Due Date 8, currently June 15, 2026) may not be extended by stipulation under the Scheduling Order. The parties also respectfully request that the Board consider extending the statutory final written decision deadline under 35 U.S.C. § 326(a)(11), which permits the Board to grant up to a six-month extension for good cause.
- **Good Cause:** The parties submit that MCC’s ongoing bankruptcy proceedings constitute good cause for the requested relief. Both parties agree to hold this matter in abeyance until completion of MCC’s bankruptcy, subject to the Board’s approval. The parties will present a status update to the Board at the earlier of completion of MCC’s bankruptcy or three months from the date of the Board’s order granting the stay.

Respectfully submitted,

Todd Baker

Counsel for Patent Owner
