

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

AdvanCell Pty Ltd.
Petitioner

v.

Sciencons AS
Patent Owner

Post Grant Review No.: PGR2025-00029

**JOINT MOTION FOR ENTRY OF DEFAULT PROTECTIVE ORDER
PURSUANT TO 37 C.F.R. § 42.54**

Pursuant to 37 C.F.R. § 42.54 Patent Owner Sciencons AS (“Patent Owner”) and Petitioner AdvanCell Pty Ltd. (“Petitioner”) hereby jointly move pursuant to 37 C.F.R § 42.54 for entry of the Default Protective Order and authorization to file under seal anticipated filings using the Board’s standard protective order.

The parties anticipate that a deposition transcript will be filed including confidential business information of Patent Owner’s expert Mr. Charles Conroy. Submission of these materials pursuant to the Board’s standard protective order will be consistent with the integrity and efficient administration of the proceedings, and will not restrict access to confidential information for employees and representatives of the Patent and Trademark Office who have a need for access to confidential information.

The parties certify that they accept and agree to the terms of the default protective order. As set forth in the Office Trial Practice Guide, “[i]f the parties agree to accept the terms of the Default Protective Order, they are not required to provide a copy but must certify that they accept and agree to its terms.” Office Trial Practice Guide, App’x B, §(e). Because the parties have agreed to accept the terms of the Default Protective Order, a copy is not included with this motion.

Accordingly, good cause exists for entry of the Default Protective Order and authorization to file the anticipated supplemental information under seal pursuant to 37 C.F.R § 42.54.

Date: April 9, 2026
