ORDER
Granting Requests to Change Oral Hearing Dates
37 C.F.R. § 5

[1] The combined caption is for administrative convenience only. Parties are not authorized to use this caption without express Board permission.

The parties submitted a joint request to reschedule the oral argument dates for both PGR2025-00029 and PGR2025-00040, which are currently scheduled for July 14, 2026 and July 30, 2026, respectively. Ex. 3001.[2] In particular, the parties requested that the oral arguments be rescheduled for the same day, provided reasons for changing the dates of the hearings, and proposed a number of preferable dates. *Id.* at 1.

Upon review of the parties's submission, the joint request is granted. The hearings for both proceedings will be held on July 23, 2026. Separate hearings will be held in each proceeding; the hearings will not be consolidated.

The parties should consider the impact of the new hearing date in PGR2025-00040 on the due dates relating to briefing motions to exclude and propose new dates, if they so choose. *See, e.g.*, PGR2024-00040, Paper 11 (setting Due Date 7 as July 23, 2026). In particular, the parties are advised that the deadline for the reply to a motion to exclude is the same day as the revised hearing date. Unless otherwise modified by the parties, any reply to an opposition to a motion to exclude must be filed prior to the date of the oral hearing.

ORDER

In view of the foregoing, it is

ORDERED that the oral hearings for PGR2025-00029 and for PGR2025-00040 are rescheduled to July 23, 2026.

[2] Exhibit 3001 has been filed in both proceedings.
