Dear Board,

Counsel, acting on behalf of Patent Owner Fienile Agronegócios Ltda. in PGR2025-00055, requests a one-day extension of time for the due date associated with the PO Discretionary Denial Brief set by the Board. 37 C.F.R. § 42.5(c)(2). In particular, counsel timely entered a notice of appearance on behalf of Patent Owner on September 8, 2025 through the filing of a Power of Attorney and a PO Mandatory Notice. However, counsel was unable to select the appropriate "PO Discretionary Denial Brief" document for filing through the P-TACTS system prior to time period for filing such brief elapsing. Counsel thus attempted to notify the Board, and counsel of record, through an email on September 8, 2025 of the issue and present the appropriate paper and exhibit for filing. As alternative relief to the grant of a one-day extension, counsel respectfully requests the Board enter Patent Owner's Request for Discretionary Denial as of the date submitted by email—September 8, 2025.

In order for counsel to receive proper confirmation from the Board of the ability to act on Patent Owner's behalf through the P-TACTS system, counsel respectfully requests that the Board grant a one-day extension of time for the due date associated with the PO Discretionary Denial Brief and allow the same to be submitted on September 9, 2025.

Once a Board paralegal verifies the information submitted in the PO Mandatory Notice and counsel receives an approval email, counsel will then upload documents regarding the PO Discretionary Denial Brief.
