Counsel,

Patent Owner's unopposed request to file a corrected version of EX2079, which Patent Owner represents differs only in the inclusion of Dr. Wipf's CV, is granted. The originally filed EX2079 will be expunged from the record once the corrected version has been filed.

Subject: Conjupro Biotherapeutics v. Ascleto Pharma China (PGR2025-00057) | Request for Authorization to File Corrected EX2079

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Members of the Board,

Patent Owner in the above proceeding (PGR2025-00057) respectfully requests authorization to file a corrected version of EX2079, which is the March 5, 2026 declaration of Peter Wipf in support of the Patent Owner Response. Patent Owner also requests that the originally filed EX2079 be expunged from the record. The only difference between the corrected version of EX2079 (attached) and as-filed EX2079 is the inclusion of Dr. Wipf's CV (appendix A) that was inadvertently not included in the as-filed EX2079. The parties have conferred and Petitioner does not oppose the request.

Thank you,
Isha Agarwal
