Subject: [EXT] Conjupro Biotherapeutics v. Ascletois Pharma China (PGR2025-00057): Request for AV Equipment

Honorable Members of the Board,

Patent Owner writes in connection with the above-captioned proceeding to request audiovisual equipment for the August 31 (1:00 PM ET) in-person hearing at the USPTO Headquarters in Alexandria, Virginia. Patent Owner requests audiovisual equipment suitable to display papers of record and demonstrative exhibits, including a computer-connectable projector, with a USB-C connection, and a screen. Patent Owner further requests that its attorneys be allowed to use computers at the hearing (in addition to the counsel making the argument using his or her computer to show the demonstratives) to avoid the need to bring entire paper copies of the record into the hearing room and to facilitate efficient answering of panel questions.

Thank you,
Isha Agarwal
