NOTE: The asterisks in the far-left column indicate that these references were cited by the Examiner. Red dots identify the Kahn, Almadi, and Gutierrez references considered by the Examiner.

SCREENSHOTS OF “REFERENCES CITED” PORTION OF ’184 PATENT

Screenshot of portion of page 2 of the ’184 patent

NOTE: The above annotated screenshot shows a portion of page 2 of the ’184 patent in the “References Cited” section. The annotations include the following:

- the yellow-highlighted reference is the same SCADA reference used in the obviousness ground of the Petition,
- two of the other three SCADA technology-related references are highlighted in green and red (and the other third SCADA technology-related reference is not shown in the screenshot above, but listed on page 3 of the ’184 patent).
