SUMMARY

Results oriented leader by example.

SKILLS

Leadership, Management,
Product Development,
Technical Problem Solving

EXPERIENCE

Special Projects Consultant, North Sails, 2022-Present

CEO, North Sails, 2015-2022
Responsible for the financial and cultural integrity of North Sails Group, a global operation spanning 6 continents and 14 nationalities.
Design and Manufacturing Director, North Sails, 1997-2015
Consolidated 20 independent manufacturing operations to 6 global and regional hubs.
Created the North Sails Blue Book manufacturing process standard.
Led the development of North Sails 3Di manufacturing system.
Transitioned the independent, international design staff offices into a centrally coordinated group.
Initiated multiple product innovations and process inventions.
President, Maggie Inc. DBA Shore Sails Rhode Island/Sobstad Sails Northeast, 1986-1996
Acquired an existing sailmaking company and orchestrated its growth into a regional industry leader. Achieved consistent revenue and profitability growth. Configured the company for sale to North Sails Group while securing career advancement opportunities for all key employees.
Manager, Shore Sails, 1979-1986
Production Manager at Shore Sails Midwest, a start-up business in Columbus, Ohio.
General Manager at Shore Sails Caribbean, a struggling 3 year old operation in St Thomas, USVI. While at Shore Sails Caribbean I found an overseas investor to buy out the owner, helped to revitalize the local race sail market and tripled the revenue in 3 years of management.
General Manager at Shore Sails International where I handled all of the operational functions for the franchise head office.

EDUCATION AND TRAINING

BA, Business Management, Miami University, Oxford, Ohio December 1980
