OSSI Corporation ("OSSI"),
Petitioner,

v.

Hippocratic AI, Inc.,
Patent Owner.

Case No. PGR2025-00075
U.S. Patent 12,142,371 B1

PETITIONER'S MOTION FOR LEAVE TO FILE CORRECTED PETITION

Pursuant to 37 C.F.R. § 42.104(c) and the Board's inherent authority to manage its proceedings, Petitioner respectfully moves for leave to file a corrected petition in this proceeding.

I. Basis for Motion

On August 22, 2025, the Board issued a *Notice of Filing Date Accorded to Petition and Time for Filing Patent Owner Preliminary Response*, identifying certain defects in the petition, including:

- absence of a word-count certification under 37 C.F.R. § 42.24(d);
- absence of a certificate of service under 37 C.F.R. § 42.6(e)(4)(i);
- improper exhibit numbering and lack of a current exhibit list under 37 C.F.R. § 42.63; and
- incomplete designation of counsel and power of attorney under 37 C.F.R. § 42.10.

Additionally, Petitioner acknowledges that the original petition exceeded the applicable word-count limit under 37 C.F.R. § 42.24(a)(1)(v).

II. Relief Requested

Petitioner seeks leave to submit a corrected petition that cures the above-noted defects by:

1. conforming the petition to the word-count limit;
2. adding the required word-count certification and certificate of service;
3. renumbering exhibits and preparing a compliant exhibit list; and
4. submitting corrected designation of counsel and power of attorney.

III. Proposed Corrected Petition

For the Board's convenience, Petitioner attaches the following as exhibits to this Motion:

- **Exhibit A:** Clean version of the proposed corrected petition (word-count compliant).
- **Exhibit B:** Marked-up version of the proposed corrected petition showing changes relative to the originally filed petition.

These are provided solely as proposed exhibits for the Board's review. The required word-count certification, certificate of service, and exhibit list will be provided upon filing of the corrected petition, if leave is granted.

IV. Conclusion

Petitioner respectfully requests that the Board grant this Motion for Leave to File a Corrected Petition and permit Petitioner to file the corrected petition and associated documents curing the identified defects.

Respectfully submitted,

Dated: 08/27/2025
