Counsel

Petitioner must meet and confer with Patent Owner, and then email the Board for permission, before filing a motion. 37 C.F.R. §§ 42.20(a), (b), 42.25(a); <https://www.uspto.gov/patents/ptab/trial-practice-guide>. Petitioner must follow the Board's procedures regarding correspondence as this proceeding continues. In this instance only, the Board waives the requirement (37 C.F.R. §§ 42.5(a), (b)) and considers Petitioner's request, but Petitioner is strongly cautioned that failure to follow Board procedure may have adverse consequences.

Petitioner is authorized to file a 3-page preliminary reply in PGR2025-00075, due no later than January 20, 2026, limited to addressing the issues of procedural defects raised in the POPR. Patent Owner is authorized to file a 3-page preliminary sur-reply due no later than January 23, 2026, limited to addressing the same issues.

The parties should file their briefs as papers in P-TACTS.
