Subject: PGR2025-00085 Alvotech v. Regeneron: Request for leave to file updated mandatory notices

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Honorable Board,

Petitioner respectfully requests leave to file updated mandatory notices under 37 CFR 42.8(a)(3) naming Alvotech Swiss AG as a real-party-in-interest. Alvotech Swiss AG is 100% owned by

Petitioner Alvotech hf and became an RPI in April 2026. Because it has been more than 21 days since this time, Petitioner respectfully requests that the Board waive the 21-day deadline under 37 CFR 42.5(c)(3). Good cause exists to waive the deadline, because Alvotech Swiss AG has not been sued by Patent Owner Regeneron and therefore is not estopped from joining this Petition.

Petitioner's counsel contacted counsel for Patent Owner, who indicated that Patent Owner does **not** oppose Petitioner's request.

The parties are available at the Board's convenience should the Board wish to hold a conference call.

Thank you,
Kristi Sawert
