

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

ALVOTECH USA INC. and ALVOTECH HF,
Petitioners,

v.

REGENERON PHARMACEUTICALS, INC.,
Patent Owner.

Case: PGR2025-00085
U.S. Patent No. 12,168,036

PATENT OWNER'S REQUEST FOR ORAL ARGUMENT

Pursuant to 37 C.F.R. § 42.70(a) and Sections A.9 and B.4 of the Scheduling Order (Paper 14), Patent Owner Regeneron Pharmaceuticals, Inc. (“Patent Owner”) respectfully requests oral argument on issues related to the instituted grounds and on any issues raised in pending motions or briefing filed by the parties.

The Board scheduled the Oral Hearing for this proceeding for December 4, 2026. Patent Owner understands that the oral argument will be held in person at the USPTO headquarters in Alexandria, Virginia, with one judge appearing remotely by video. Paper 14 at 8.

Patent Owner’s presenting counsel intends to appear in person. Patent Owner anticipates that more than five (5) individuals will attend the argument on its behalf. Paper 14 at 8-9. Patent Owner further respectfully requests that the Board provide public video and/or audio access information (e.g., a link or dial-in) so that additional Patent Owner counsel and client representatives who are not presenting may observe the argument remotely.

Patent Owner requests sixty (60) minutes of argument time per side, consistent with the Board's ordinary practice for a single proceeding. Consolidated Trial Practice Guide 81-82 (Nov. 2019). Patent Owner further requests the opportunity to present a brief sur-rebuttal, if the Board permits. *Id.* at 83. Patent Owner has conferred with Petitioner regarding argument time, and Petitioner agrees with this proposal. This time allocation does not account for any potential Legal

Experience and Advancement Program (“LEAP”) participation request. Patent Owner contemplates filing such a request in accordance with the Trial Practice Guide and the Board’s LEAP procedures.

Patent Owner also respectfully requests the ability to use audio-visual equipment to display demonstrative exhibits, including use of a computer, a projector, a digital projector/document camera (“Elmo”), and a screen.

Date: October 20, 2026

Respectfully submitted,

/David I. Berl/
