Counsel,

From the Board –

Patent Owner’s notice of intent to designate Isha Agarwal as a provisionally recognized PTAB attorney as back-up counsel in PGR2025-00086 pursuant to 37 C.F.R. § 42.10(c)(2) is acknowledged.

Ms. Agarwal will be provisionally admitted, but the Notice of Intent (Paper 11) fails to list the most recent prior proceeding where Ms. Agarwal was recognized pro hac vice by order (IPR2024-001197) and Ms. Agarwal’s certification (Ex. 2035) fails to identify and attest to “All other proceedings before the Office for which the individual has applied to appear pro hac vice in the last three years” (Paper 3) (IPR2024-01197, IPR2025-00052, IPR2025-00054, IPR2025-00055, IPR2025-00056). Accordingly, Patent Owner must refile its notice of intent and its certification including this missing information within 5 business days of this email.

We also note that although Ms. Agarwal is included in the previously filed mandatory notices (Paper 4), 37 C.F.R. § 42.10(c)(2)(iii) provides that *pro hac vice* admission is effective upon filing an updated mandatory notice *after* the expiration of the objection time period (5 business days if no objection or 10 business days after an objection). After the applicable objection expiration date, Patent Owner may file updated mandatory notices under 37 C.F.R. § 42.10(c)(2)(iii).
