ORDER NO. 13: AMENDED ADOPTED PROCEDURAL SCHEDULE

(February 6, 2026)

On January 14, 2026, a Proposed Procedural Schedule was issued in this Investigation (“PPS”). (Order No. 4 (Jan. 14, 2026).). In the PPS, the Evidentiary Hearing (“Hearing”) was scheduled for October 28, 29, 30, November 2, November 3, and November 4, 2026. (*Id.* at 2–3.). The PPS set April 2, 2027 as the deadline for the Final Initial Determination (“ID”) and August 2, 2027 as the Target Date. (*Id.*). The deadline for the Parties to submit their selections/inserts to the Proposed Procedural Schedule was January 21, 2026.

On January 22, 2026, Complainant Netlist, Inc. (“Complainant” or “Netlist”), Respondents Samsung Electronics Co., Ltd., Samsung Electronics America Inc., Samsung Semiconductor, Inc. (collectively “Samsung”), Google LLC (“Google”), and Super Micro Computer Inc. (“Super Micro”) (collectively, “Respondents” and, with Netlist, “the Private Parties”), and the Commission Investigative Staff (“Staff” and, with the Private Parties, “the Parties”) jointly moved (“Motion”) for a modification to the dates for the Evidentiary Hearing (“Hearing”) and for an extension of time to submit a Proposed Procedural schedule. (Motion Dkt. No. 1472-005.). The Parties requested the Hearing be rescheduled for either the week of November 9 or the week of November 16, 2026. (*Id.*). On January 27, 2026, the Motion was granted in part. (Order No. 10 (Jan. 27, 2026).). The Parties’ request to extend the deadline to submit their Proposed Procedural Schedule was granted. The Parties’ request to change the

Hearing dates was granted, but the dates the Parties requested were not adopted. An Amended Proposed Procedural Schedule (“APPS”) was provided. (Order No. 10, Attachment A.). The rescheduled Hearing dates are November 23, 24, 30, December 1, 2, and 3, 2026. The new deadline for the Final ID is May 3, 2026.

Pursuant to Order No. 10, on February 3, 2026 the Parties filed their Joint Proposed Procedural Schedule (“JPPS”). (EDIS Doc. ID No. 871408 (Feb. 3, 2026).). The JPPS contains three (3) deviations from the APPS. One, the Parties requested deadlines for Staff that differ from the deadlines for the Private Parties. (JPPS at 2.). Two, the Parties requested deadlines for initial and final burden contention interrogatory responses. (*Id.*). Three, the Parties requested one additional week of expert discovery. (*Id.*). The Parties argue that adopting their requested changes will enable Staff to review the Private Parties’ filings before submitting their own, help the Parties provide timely disclosures of their respective contentions, and enable Staff to more fully participate in expert discovery. (*Id.*).

The Parties’ joint requests are granted and hereby adopted. Although these Chambers did not propose burden contention interrogatory deadlines, the Parties have requested them. The Parties will be held to their agreement to the extent they have a mutual understanding as to the meaning of “initial” and “final” burden contentions. The close of fact discovery, including all testing, is July 8, 2026. The Amended Adopted Procedural Schedule (“AAPS”) is Attachment A hereto.

SO ORDERED.
