Johns Hopkins University

United States

Established: **1876**

Scholars: **672**

## What Are The Ranking Positions & Metrics for Johns Hopkins University in 2026?

Below you will find a detailed overview of Johns Hopkins University position across all scientific rankings where that institution is listed. The details include specific positions of the institution in both worldwide and country-based rankings as well as figures for the total number of scientists affiliated with Johns Hopkins University included in each ranking. It also features totals for numbers of scientific publications authored by scientists currently affiliated with that institution as well as their total D-index value.

### Medicine

| World Ranking | Country Ranking |
|---|---|
| 2 | 2 |
| **No. of Scientists** | **Total D-index** |
| 208 | 31399 |

## Biology and Biochemistry

| World Ranking | Country Ranking |
|---|---|
| 16 | 13 |
| **No. of Scientists** | **Total D-index** |
| 66 | 7581 |

## Neuroscience

| World Ranking | Country Ranking |
|---|---|
| 5 | 4 |
| **No. of Scientists** | **Total D-index** |
| 51 | 6326 |

## Social Sciences and Humanities

| World Ranking | Country Ranking |
|---|---|
| 5 | 4 |
| **No. of Scientists** | **Total D-index** |
| 70 | 4078 |

## Immunology

| World Ranking | Country Ranking |
|---|---|
| 5 | 3 |
| **No. of Scientists** | **Total D-index** |
| 36 | 3860 |

## Microbiology

| World Ranking | Country Ranking |
|---|---|
| 2 | 2 |
| **No. of Scientists** | **Total D-index** |
| 31 | 3374 |

## Physics

| World Ranking | Country Ranking |
|---|---|
| 13 | 11 |
| **No. of Scientists** | **Total D-index** |
| 24 | 3191 |

## Psychology

| World Ranking | Country Ranking |
|---|---|
| 47 | 33 |

| No. of Scientists | Total D-index |
|---|---|
| 36 | 2996 |

## Computer Science

| World Ranking | Country Ranking |
|---|---|
| 41 | 22 |

| No. of Scientists | Total D-index |
|---|---|
| 48 | 2501 |

## Genetics

| World Ranking | Country Ranking |
|---|---|
| 18 | 14 |

| No. of Scientists | Total D-index |
|---|---|
| 14 | 2404 |

## Chemistry

| World Ranking | Country Ranking |
|---|---|
| 110 | 41 |

| No. of Scientists | Total D-index |
|---|---|
| 29 | 2107 |

## Materials Science

| World Ranking | Country Ranking |
|---|---|
| 112 | 32 |
| **No. of Scientists** | **Total D-index** |
| 23 | 1621 |

## Molecular Biology

| World Ranking | Country Ranking |
|---|---|
| 19 | 15 |
| **No. of Scientists** | **Total D-index** |
| 11 | 1453 |

## Earth Science

| World Ranking | Country Ranking |
|---|---|
| 56 | 25 |
| **No. of Scientists** | **Total D-index** |
| 9 | 1352 |

## Environmental Sciences

| World Ranking | Country Ranking |
|---|---|
| 61 | 31 |
| **No. of Scientists** | **Total D-index** |
| 11 | 1170 |

## Engineering and Technology

| World Ranking | Country Ranking |
|---|---|
| 125 | 39 |
| **No. of Scientists** | **Total D-index** |
| 19 | 872 |

## Economics and Finance

| World Ranking | Country Ranking |
|---|---|
| 27 | 20 |
| **No. of Scientists** | **Total D-index** |
| 17 | 864 |

## Mechanical and Aerospace Engineering

| World Ranking | Country Ranking |
|---|---|
| 54 | 24 |
| **No. of Scientists** | **Total D-index** |
| 7 | 483 |

## Mathematics

| World Ranking | Country Ranking |
|---|---|
| 85 | 45 |

| No. of Scientists | Total D-index |
|---|---|
| 9 | 400 |

## Electronics and Electrical Engineering

| World Ranking | Country Ranking |
|---|---|
| 197 | 59 |

| No. of Scientists | Total D-index |
|---|---|
| 7 | 360 |

## Political Science

| World Ranking | Country Ranking |
|---|---|
| 54 | 35 |

| No. of Scientists | Total D-index |
|---|---|
| 8 | 290 |

## Business and Management

| World Ranking | Country Ranking |
|---|---|
| 200 | 84 |

| No. of Scientists | Total D-index |
|---|---|
| 3 | 158 |

## Ecology and Evolution

| World Ranking | Country Ranking |
|---|---|
| 609 | 174 |
| **No. of Scientists** | **Total D-index** |
| 2 | 68 |

## In which disciplines do the best scientists from Johns Hopkins University work?

The chart below shows the number of scientists affiliated with Johns Hopkins University across different disciplines. For scientists ranking in multiple disciplines the one where they rank the highest is considered to be their main.

number of scientists

Medicine - 208

Social Sciences and Humanities - 70

Biology and Biochemistry - 66

Neuroscience - 51

Computer Science - 48

1/2

## How was the ranking of Johns Hopkins University scientists created?

The data for h-index, citations, awards, and publications featured in this ranking were last updated on 2024-11-27.

This ranking lists all leading researchers affiliated with Johns Hopkins University. There are a total of 672 scientists listed with 154 featured in the ranking of top researchers.

The total number of all publications by leading scholars in Johns Hopkins University is 338,129 with a mean value for publications per scientist of 503.

The total number of citations by prominent scientists at Johns Hopkins University is 35,620,577 with a mean value for citations per researchers of 53,007.

Please consider that the research institution or university for a researcher is based on the affiliation data displayed on a wide range of sources, including their personal website, Google Scholar profile, MAG profile, and LinkedIn.
