Counsel,

The panel thanks the parties for the conference call request. As Patent Owner's motion is unopposed and seeks to narrow the issues for trial, the panel sees no need for a conference call and authorizes Patent Owner to file a non-contingent motion to cancel claims 2-8 of U.S. Patent No. 12,295,968 by October 6, 2026.

Should counsel for the parties wish to discuss additional issues, please respond identifying those issues and the panel will schedule a call during the available times suggested by the parties.

Regards,

Andrew Kellogg

Dear Board:

Pursuant to 37 C.F.R. § 42.221(a) and Section A.7 of the Scheduling Order (Paper 14), Patent Owner The Johns Hopkins University requests a conference call with the Board to discuss its anticipated motion to amend the claims of the challenged patent, which Patent Owner intends to file on October 6. The anticipated motion would cancel claims 2-8 of U.S. Patent No. 12,295,968. No substitute claims will be proposed.

Petitioner does not oppose Patent Owner's request for this conference call.

The parties are available for a call at the following times: 1-4 PM (ET) on October 1 and 1-3 PM (ET) on October 2.

Best regards,

Jennifer Librach Nall
