

Albaugh Closes on the Acquisition of Rotam

Date: Oct 30, 2024 **Share:**

Albaugh, LLC of Ankeny, Iowa (“Albaugh”) announces that, the delisting of Rotam Global AgroSciences Limited (“Rotam”) from the Taiwan stock exchange having been completed, the acquisition of Rotam has been successfully closed. The acquisition creates a leading global crop protection company with total sales exceeding \$2 billion in all regions of the world and a strong manufacturing base comprising plants in the USA, Argentina, Brazil, Mexico, Slovenia, China, Taiwan and India.

Albaugh was advised in the transaction by J.P. Morgan, with HSBC serving as co-advisor and legal support from Jones Day and Collas Crill.

About Albaugh

Albaugh, LLC is a privately-owned US limited liability company founded by Mr. Dennis Albaugh in 1979. Headquartered in Ankeny, Iowa, Albaugh offers a broad and growing portfolio of crop protection products throughout the world. Albaugh operates multi-functional plant sites in the USA, Argentina, Brazil, Mexico, Slovenia, China, Taiwan and India.
