Our mission and vision:

Our Mission:
To create value for our customers by applying our unique efficiencies to provide a broad and sustainable portfolio of high-quality, competitively priced crop protection products.

Our Vision:
To be the leading alternative for crop protection products globally.

Our portfolio is the widest in the market

Our portfolio is the widest in the market.

We are an American company and a global leader in the production and commercialization of crop protection products, with a presence in over 80 countries worldwide.

We are world leaders in the production and sale of crop protection products. In South America, we arrived through our acquisition of Atanor to provide optimal service to growers and distributors in Argentina, Chile, and Uruguay, offering a wide portfolio of high-quality products at competitive prices.

We like knowing that every day we're doing something
