

GENERICS

A force for accessible medicine

As the leader in Canadian generics pharmaceuticals and top 5 in the United States, we bring our experience and track record of making generics affordable and accessible worldwide.

Apotex is committed to delivering access with uncompromising quality. With an extensive portfolio of high-quality generic medicines and a robust R&D pipeline, we're offering accessible treatment worldwide, meeting patients' needs throughout their lives.

Our generic medicines are available in various dosage forms, including oral solid doses and suspensions, capsules, injectables, sprays, powders, inhalers, and drops.

- ~460 generic products
- ~70 countries where generics are distributed
- #1 in prescription volume in Canada
- Top ten in the United States
- #4 in Mexico's private generics market

Generics play a vital role in empowering patients to achieve better health. They are safe, effective, affordable, and trusted by billions around the world.
