BEFORE THE PATENT TRIAL AND APPEAL BOARD

APOTEX INC.,
Petitioner,

v.

SOLENO THERAPEUTICS, INC.,
Patent Owner.

PGR2026-00034
Patent 12,419,895

PATENT OWNER'S OBJECTIONS TO PETITIONER'S EVIDENCE

Pursuant to 37 C.F.R. § 42.64(b)(1), Patent Owner Soleno Therapeutics, Inc. ("Patent Owner") submits the following objections to the evidence relied on by Petitioner Apotex Inc. ("Petitioner"). Patent Owner's objections apply equally to Petitioner's reliance on this evidence in any subsequently filed documents or further proceedings in this matter. These objections are timely, having been filed and served within ten business days of institution of trial. Notwithstanding these objections, Patent Owner expressly reserves the right to rely on any evidence submitted by Petitioner, including on the ground that such evidence constitutes a party admission.

Objections

I. Exhibit 1005 (Declaration of Dr. Hollander)

Patent Owner objects to Exhibit 1005 as inadmissible hearsay under FRE 801 and 802 not falling under any exception, and as improper expert testimony under FRE 702 and 703, to the extent it impermissibly acts as a conduit for hearsay, including the hearsay objected to herein, and does not rely on the kinds of facts or data that experts in the relevant fields would reasonably rely on in forming an opinion on the subject without providing the underlying facts, data, and other required disclosures.

Patent Owner further objects to Exhibit 1005 for lack of foundation and lack of personal knowledge under FRE 602, and as improper lay testimony under FRE 701, to the extent it offers testimony in areas outside of Dr. Hollander's area of

expertise or fails to properly provide the underlying facts, data, and other required disclosures.

II. Exhibit 1006

Patent Owner objects to this exhibit as not properly authenticated under FRE 901 because Petitioner has not presented sufficient evidence to show that it is authentic or self-authenticating under FRE 902.

To the extent Petitioner relies on this exhibit for the truth of the matter asserted, Patent Owner objects to this exhibit as inadmissible hearsay under FRE 801 and 802 that does not fall under any exceptions, including those of FRE 803, 804, 805, or 807.

III. Exhibits 1003, 1007, 1010, 1013, 1017-1021, 1030-1031, 1033

Patent Owner objects to these exhibits as not properly authenticated under FRE 901 because Petitioner has not presented sufficient evidence to show that they are authentic or self-authenticating under FRE 902.

To the extent Petitioner relies on these exhibits for the truth of the matter asserted, Patent Owner objects to these exhibits as inadmissible hearsay under FRE 801 and 802 that do not fall under any exceptions, including those of FRE 803, 804, 805, or 807.

Respectfully submitted,

Dated: October 23, 2026
