Lost cigar.

I ordered this squeaky toy for my dachshund and i thought it would be a great toy. And it was and is. We left it at a family members house and Belle was so upset. When i got home i ordered two more and just received them today. She went nuts and she carries it around all over the house. The squeaky is not too loud either. We love it for our dog and she loves it too.

Torn up in one day

Stuffing was out in a day. Had to throw away. Small dogs might be okay with it but not any of mine.

Doesn't last

I have a boston and a decker terrier. Wasn't even out of the box 5 minutes and it was destroyed. It's cute, but not worth 5 minutes of play

The Best Toy

This is one of the best toys out there for dogs. It is so cute and funny when they have it in their mouths and running around the house with it. Ot sticks out like a real cigar. Every dog should have one.

Sometimes a cigar is so much more than just a cigar...

Somehow, despite the fact that it's ultimately just a stuffed stick, this has emerged victorious as The One Toy to Rule Them All. I'm not sure I'll ever understand what makes him tick but it's hilarious to watch my 14 lb. doxie strut around with a stogie hanging out of his mouth.

Such a cute idea

I absolutely love Frisco's NYE themed toys this year! This cigar is so cute. I gave it to my black lab at a party one evening and everyone was commenting on how cute it was. Loving these themes! #ChewyTeamRated

Finally, a toy my husband loves!

Almost every time I bring home a new toy, I get a look from my husband that clearly says "Stop. They need new toys like a hole in the head." But not this toy.... we got a good laugh seeing our 15 lb havanese carrying this cigar around in his mouth. Definitely worth it! #ChewyTeamRated

My chugs new favorite

This toy is easy for a game of tug of war or fetch. The color is nice and it's a pretty cute toy #ChewyTeamRated
