

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

BIOCON BIOLOGICS, INC. and
BIOCON BIOLOGICS LIMITED,
Petitioners

v.

REGENERON PHARMACEUTICALS, INC.,
Patent Owner

U.S. Patent No. 12,168,036 to Graham
Issue Date: December 12, 2024
Title: Methods for Treating Angiogenic Eye Disorders
with High Doses of VEGF Receptor Fusion Proteins

Post Grant Review No. PGR2026-00039

**PETITIONERS' UNOPPOSED MOTION TO
WITHDRAW AND SUBSTITUTE COUNSEL**

1. STATEMENT OF RELIEF REQUESTED

Pursuant to 37 C.F.R. § 42.10(e), Petitioners Biocon Biologics, Inc. and Biocon Biologics Limited (“Petitioners”), respectfully requests that the Board authorize the withdrawal of Scott Border as Lead Counsel of record in this proceeding and substitute them for new Lead Counsel, Alexander P. Ott.

2. STATEMENT OF FACTS SHOWING GOOD CAUSE FOR THE BOARD TO AUTHORIZE WITHDRAW OF COUNSEL

Mr. Border has left the law firm of Winston & Strawn LLP (n/k/a Winston Taylor LLP) (“Winston Taylor”). Petitioners continue to retain the law firm of Winston Taylor to represent it in these proceedings. New Lead Counsel from Winston Taylor is identified in Petitioners’ Updated Power of Attorney and Updated Mandatory Notices filed concurrently with this motion. New Lead Counsel, Alexander P. Ott, is registered to conduct business before the United States Patent and Trademark Office and the Board.

The withdrawal and substitution of counsel will not impact the schedule for proceedings in this matter.

3. REASONS FOR RELIEF REQUESTED

“Counsel may not withdraw from a proceeding before the Board unless the Board authorizes such withdrawal.” 37 C.F.R. § 42.10(e). Given that Mr. Border is no longer with Winston Taylor, but Petitioners continue to retain the law firm of

Winston Taylor in connection with this proceeding, it is appropriate to withdraw Mr. Border as counsel of record in this proceeding.

Patent Owner has been consulted about the relief sought in this motion and has indicated it does not object to the proposed withdrawal and substitution. Thus, Petitioners believe that granting this motion will not hinder the economy, integrity of the patent system, or the efficient administration of the Office. *See* 35 U.S.C. §316(b).

4. CONCLUSION

Petitioners respectfully request that the Board grant its motion and authorize the withdrawal of Mr. Border as counsel in this proceeding and to replace him with Mr. Ott, as Lead Counsel, as identified in Petitioners' Updated Mandatory Notices and Power of Attorney.

Respectfully submitted,
