MOTION TO STAY PENDING INTER PARTES REVIEW

This chart shows how the selected type of motion was decided given the selected filters. Decisions that are not either Granted, Denied, or Partial (such as deferred rulings) are excluded from the dataset. Court documents that contain decisions on multiple motions get entered as separate decisions in this chart.

MOTION TO STAY PENDING POST-GRANT REVIEW

This chart shows how the selected type of motion was decided given the selected filters. Decisions that are not either Granted, Denied, or Partial (such as deferred rulings) are excluded from the dataset. Court documents that contain decisions on multiple motions get entered as separate decisions in this chart.
