

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

America Ugreen Limited

Petitioner

v.

SARIANA LLC

Patent Owner

Case No.: PGR2026-00062

U.S. Patent No. 12,436,567

**PETITIONER'S NOTICE OF FILING
REDACTED EXHIBITS 1023 AND 1024**

In accordance with guidance provided on the Board’s website regarding “nonuseful personal confidential information” (https://www.uspto.gov/patents/ptab/faqs?#type-browse-faqs_2807), America Ugreen Limited (“Petitioner” or “America Ugreen”) hereby provides notice that it has filed redacted versions of the following exhibits:

- Exhibit 1023: Internal Approval for Retention of U.S. Counsel – January 23, 2026; and
- Exhibit 1024: Internal Payment Approval for PGR Legal Fees – July 2, 2026.

The redactions are limited to confidential personal and financial information that is not relevant to any issue presented in this proceeding and on which Petitioner does not rely. Specifically, the redacted information consists of counsel’s bank account number and banking information, and counsel’s fee arrangement reflected in the exhibits. The redactions do not obscure the purpose of the payments, the dates of the approvals or payments, or any other information on which Petitioner relies in its Opposition to Patent Owner’s Request for Discretionary Denial.

The Board has recognized that non-useful confidential information may appropriately be redacted when the document is submitted and the submission should be accompanied by a paper noting the reasons for the redaction. *See Garmin Int’l, Inc. v. Cuozzo Speed Techs. LLC*, IPR2012-00001, Paper 36 at 8 n.2 (PTAB

Apr. 5, 2013) (“To minimize cost, delay, and burden on the parties and Board, parties should not submit confidential personal information which clearly has little relevance to the merits of the case, such as account number on a check, social security number, and full driving record”).

The Board also has emphasized the strong public policy favoring an open record and has encouraged parties to avoid unnecessary sealing where confidential information need not be included in the record. *See Esselte Corp. v. DYMO B.V.B.A.*, IPR2015-00766, Paper 20 at 3 (PTAB Sept. 22, 2015). The Board permitted Patent Owner to withdraw its motion to seal and file a redacted version of an exhibit, with the original unredacted exhibit expunged.

Accordingly, Petitioner has filed Exhibits 1023 and 1024 with only the foregoing confidential personal and financial information redacted. The redacted information is unrelated to the issues presented in this proceeding, and Petitioner does not rely on that information in its Opposition.
