AWARDS

**CELEBRATING THE BEST TECHNOLOGY  
PRODUCTS**

**ENTRY DEADLINE: 23:59 ET JANUARY 3, 2025**

## **Innovate. Nominate. Celebrate.**

The world of technology is ever-evolving and it's important to recognize those brands who are leading the way with their innovative products and creative solutions.

**TWICE, Residential Systems** and **TechRadar Pro** are again proud to celebrate those products and solutions with the renowned **CES Picks Awards for 2025**. These awards provide an opportunity for you to earn the publicity and accolades your business deserves as we enter the new year.

If your product was launched since the last CES show in January 2024, or if you've brought game-changing upgrades or new features over the last 12 months, we would love to see your product at the show for consideration of winning an award.

## **Categories**

# **TWICE**

**TWICE** is the leading brand serving the B2B needs of those in the technology and consumer electronics industries. Leading companies and their leaders turn to TWICE for perspective and analysis in the ever changing and fast paced environment of consumer technology. The TWICE

Picks Awards are accepting entries of innovative new launches in consumer technology. Anything from home appliances to headphones, cameras to automation is welcome to enter.

# Residential Systems

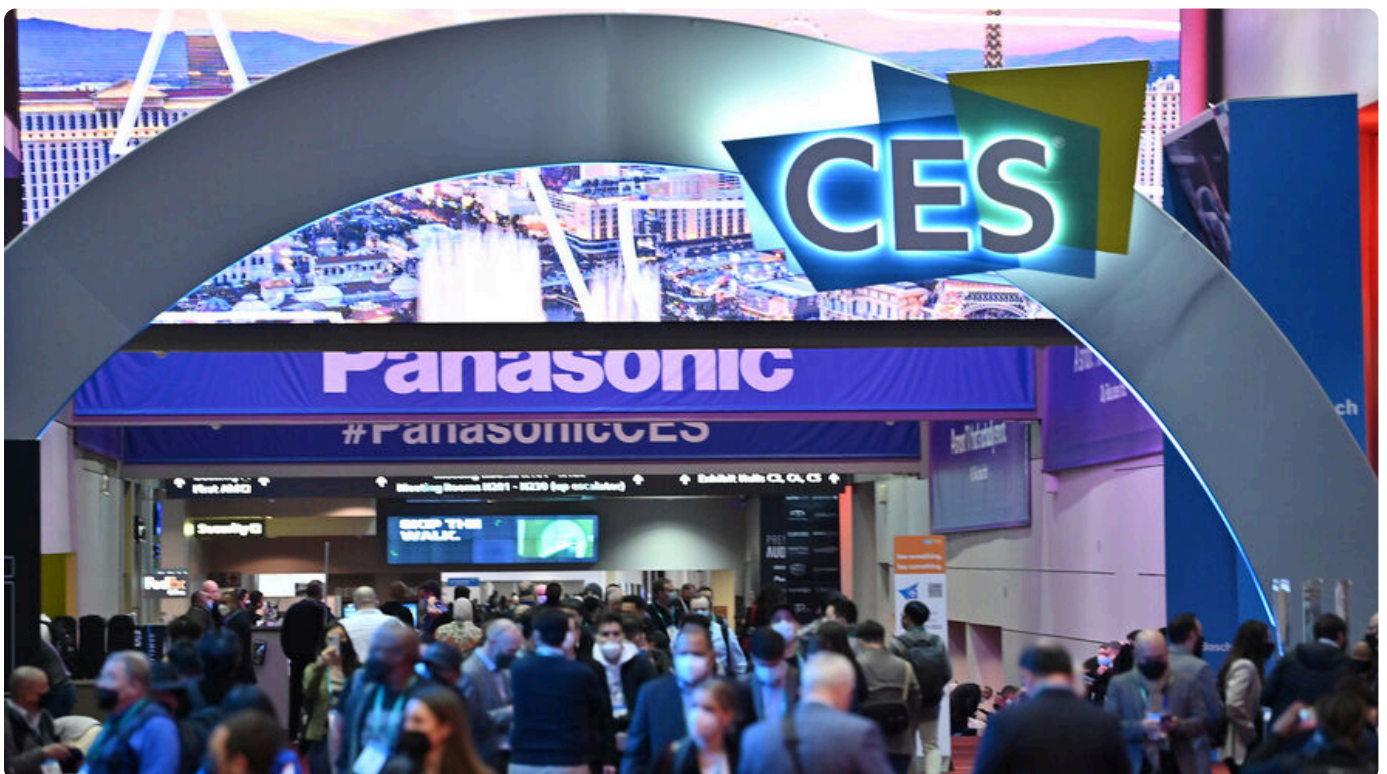

**Residential Systems** serves the custom home entertainment and automation design, and installation professionals with solid business solutions to real-world problems. *Residential Systems* is technology and business authority which serves the custom installation industry.

The Residential Systems category in the CES Picks Awards will celebrate 2024's most innovative products and their contributions to the Custom Installation industry.

## techradarpro

**TechRadar Pro** is one of the world's leading B2B and B2C technology news sites, covering all the stories and updates your business needs to know about. We're looking to celebrate the best in innovative new technology that can truly help businesses of all sizes and across varying industries get the most out of their workforce and their resources. If your product has shone within the world of consumer technology, this is the category to enter.

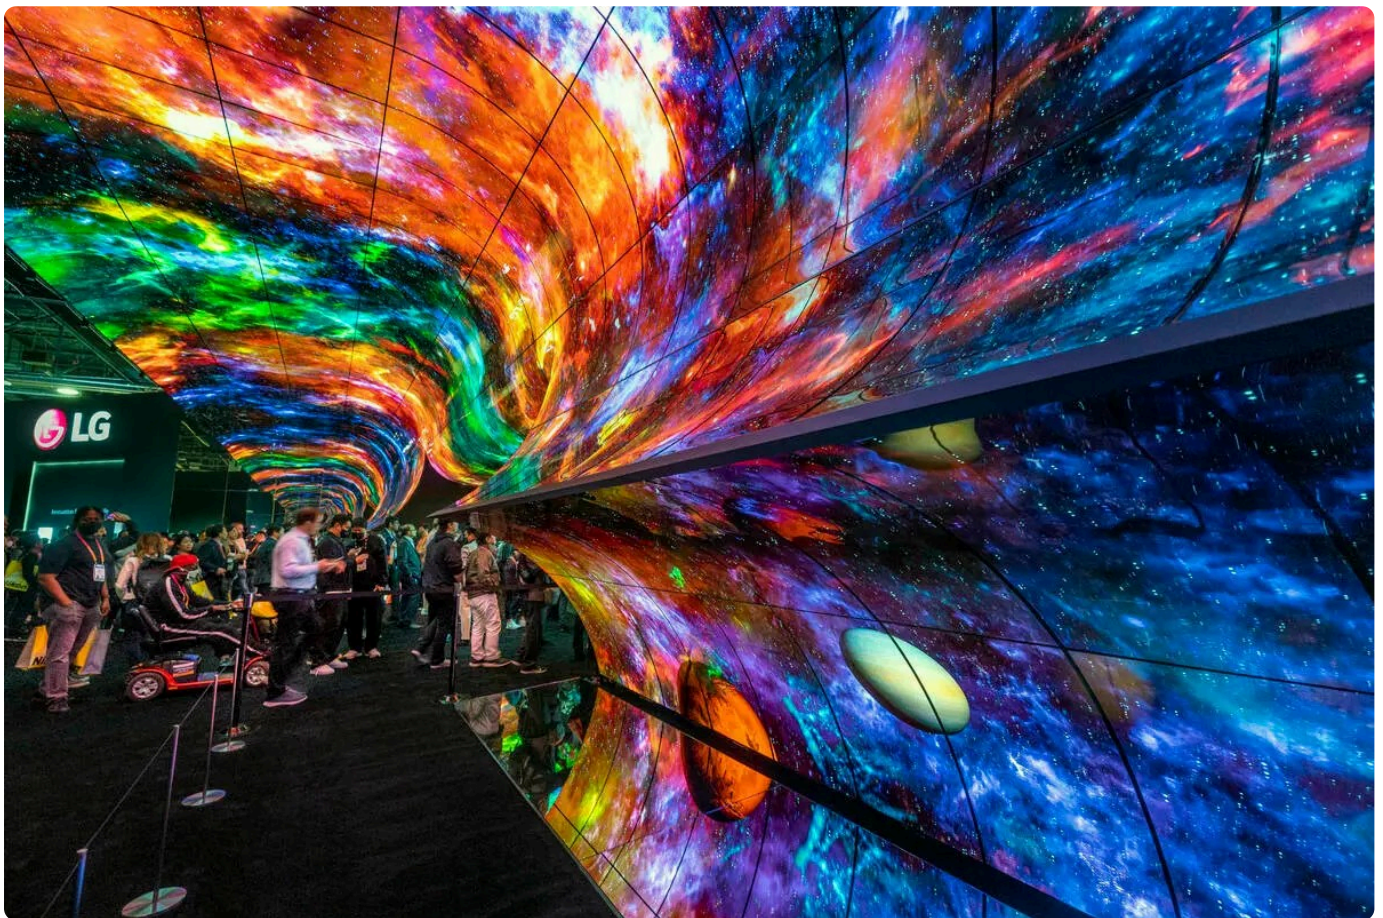

## Why Enter?

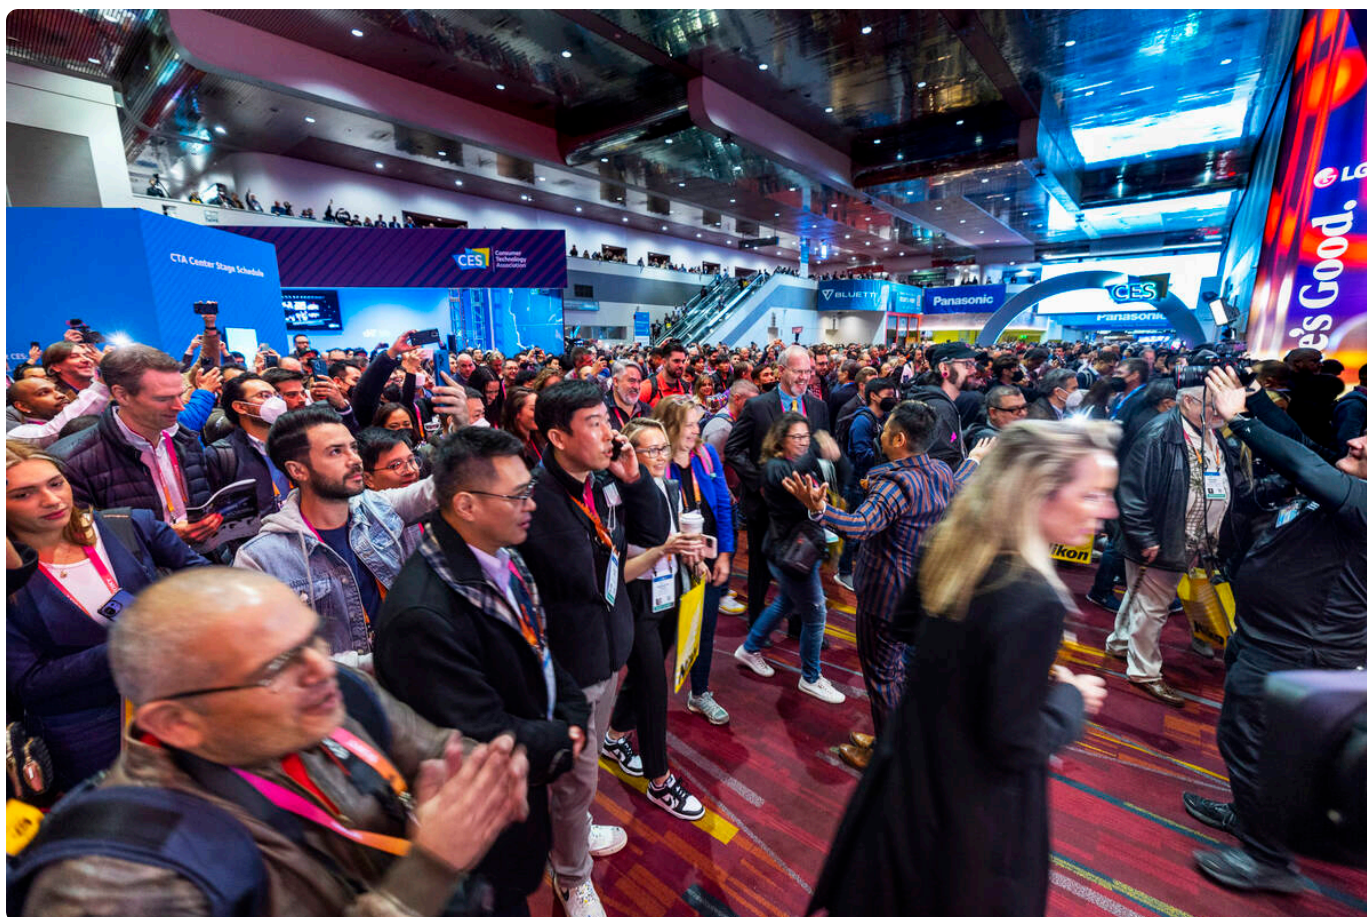

Thousands of new products are introduced at and around CES each year. **Help make your product stand out** after the event with awards logos and promotion from our award brands. As a winning entry, you will receive **promotional coverage across social media**, websites, newsletters and more. Plus, **an award for display**, along with **fully-licensed winners assets** and a **press release**.

All of our winners will receive a **crystal-glass trophy** at the show to display their success to CES attendees. Having a trophy on display within your booth is the ultimate accessory to **attracting additional footfall**.

Every product nominated, whether chosen for an award or not, **will receive social & award nominee badges** prior to the show.

## FAQs

What are the Picks Awards?

Who can enter?

Why should I enter?

When are entries due?

How much does it cost to enter?

We are offering an early bird offer for any products nominated before **November 22, 2024, 23:30 ET. \$595.00 per product** nominated, for consideration by your chosen Future US/UK magazine (TWICE, Residential Systems or TechRadar Pro).

Any products nominated after the early bird offer expires will be charged at \$695.00 per product nominated, for consideration by your chosen Future US/UK magazine (TWICE, Residential Systems or TechRadar Pro). You may submit a given product to multiple magazines, at \$695.00 each.

If you wish your product to be considered by multiple publications, just nominate the product for each by checking the appropriate box(es) on the product's form; so for example, if Jones Smith Manufacturing wishes to nominate a new product for

consideration by two brands, the nomination price is \$1,390 (\$695 x 2). The entry form will guide you.

### How are products evaluated?

By a panel of editors and expert judges who will review nominations based on your submitted information and an on-site review (the on-site review cannot be guaranteed). Our editorial teams will then assess the scores submitted and select winners.
