ORDER

Because the parties' jointly requested case deadlines hinge on the resolution of Defendant's pending motion to dismiss, (see doc. no. 47), the Court **STAYS** all discovery pending a ruling by the presiding District Judge on Defendant's motion to dismiss, (doc. no. 21). The Court **DIRECTS** the **CLERK** to terminate the motion associated with the Rule 26(f) Report. (Doc. no. 47.) Should any portion of the case remain after resolution of the motion to dismiss, the parties shall confer and submit a new Rule 26(f) Report, with proposed case deadlines, within seven days of the presiding District Judge's ruling. In the event the presiding District Judge, in his ruling on the dispositive motion, provides further instructions to the parties that justifies continuation of the stay, the parties shall inform the undersigned to that effect in a status report to be filed within seven days of the presiding District Judge's ruling.

SO ORDERED this 23rd day of February, 2026, at Augusta, Georgia.
